A cartoon character with a large, round head and a wide, open mouth is shown in profile on the left side of the image. A large, light blue thought bubble with a thick black outline extends from the character's head towards the right. Inside the thought bubble, there is red text and a musical note. The character has a yellow nose and a blue tongue. The background is white.

Remember
2 eighth notes

A large, black musical note with a square head and a vertical stem is positioned in the lower right area of the thought bubble. The note is simple and stylized, with a solid black dot for the head and a thick black line for the stem.
