News from Room 7

~Notes~

Keep getting a good night's sleep and arriving to school on time, ready to work. With the arrival of cooler temperatures, please send a jacket.

LANGUAGE ARTS

Skills: story elements- characters, setting, problem, solution, **main idea, base words, prefixes, suffixes, quotation marks, predicting story outcomes and practicing locating context clues to increase comprehension. We are practicing using a glossary, an index and a dictionary to locate information.**

VOCABULARY WORDS

Artist, body, famous, hour, life, visit, announced, empty, melted, poured, squeezed, wrong

Sitton WORDS

we, there, can, an, your, is, you, at, what, when

PHONICS

Long O (oa,oe,ow,o)
Long I (i,y,igh)
/U/ (oo,ue,ew)

GRAMMAR

Punctuation, correcting sentences, subject/predicate

WRITING

Room 7 students are writing their thoughts in response to reading and poetry. They are editing their work, looking for correct capitalization, punctuation and correct spelling of basic sight words.

At home have your student write a few sentences and look for misspelled core list words, missing punctuation and capital letters. Give them sentences using their, there and they're to help them learn the correct usage of these core words.

DATES TO REMEMBER

Parent - teacher conferences:
October 21st and 22nd.
Halloween Party
2:15-3:15

Have a great weekend!

Ms. McFarland

SCIENCE

Weather- We used the computer lab to word process and illustrate student weather poems. Students took district tests about severe weather safety. Our next district weather test is about what to wear and what activities we can do in different types of weather.

SOCIAL STUDIES

Our students will learn how to gather information by using a map, a map key and a compass rose. They will look at how communities work and differ.

MATH

We are practicing identifying patterns and skip counting. As students master counting by 2s, 5s, and 10s, they'll move on to count by 3s and 4s. They need to know how to tell if a number is even or odd. Timed tests of basic + and - will continue so, keep practicing. Practice with them at home and in the car.
