

The Buffett Buffet

The Buffett Magnet Middle School cafeteria fondly referred to as “The Buffett Buffet” serves hot lunches daily. The full lunch is a balanced meal consisting of a choice between two main dishes, vegetable, fruit, bread, and milk. Students may also bring their lunch and buy milk. Due to federal regulations, no commercial or fast food may be brought in by visitors during lunch (or breakfast). All juice machines will be turned off during the school day.

LUNCH ACCOUNT NUMBERS - When your child first enrolled in the Omaha Public Schools they were given a student identification number. This number is used for lunch accounts, library check out, and computer use. Your child’s **student identification number** can be found on official documents created by the Omaha Public Schools such as mailing labels, report cards, class schedules, and school computer accounts. All students attending Omaha Public Schools continue to have the same number from kindergarten through twelfth grade so **students are encouraged to memorize this number prior to starting middle school.**

✧ ***ORGANIZATIONAL TIP FOR STUDENTS:*** *Create your own lunch account card to help you remember your student i.d. number. Write your student i.d. number on an index card and keep it in your pocket for the first two weeks of school. Numbers should be kept private as they are also computer passwords.*

DAILY / WEEKLY / MONTHLY DEPOSITS - Deposits may be made to your child’s lunch account at any time, including Fall Orientation. An envelope containing cash or a check may be delivered to the main office any morning. Checks should be made out to “**Alice Buffett Magnet Middle School**” with **your child’s name and student identification number** written on the envelope as well as on the MEMO line of your check.
