III. CHARACTER (continued)

Answer the following questions to the best of your ability. Give examples if possible.

1. Why do you want to be considered for membership in Burke High School's National Honor Society?

2. The three pillars of National Honor Society are *character, leadership, and service*. Please describe how you show each of these in your everyday actions and activities.

- a. Character

- b. Leadership

- c. Service – A minimum of 8 cumulative hours of service are required. At least one of these activities MUST be with an organization not affiliated with Burke High School. A supervisor’s signature and telephone number must accompany each activity for consideration. (If necessary, you may attach a letter or FAX, with the organization or supervisor’s letterhead, to verify a signature. Please write in the signature space provided, “see attached sheet.”)

Acceptable volunteer hours are ones done with no type of payment and done with a positive attitude. Examples of these are volunteering at a local food bank, in the childcare area of a church, or committing time to help a teacher clean their classroom. We will not accept any hours such as being in a community/school play, babysitting a relative, helping a relative move, or any activity that you receive payment for. Also, if you are a member of a sport, club, or activity at school, services that were required as part of the group do not count as volunteer hours.

3. What do you think the benefits of being a NHS member are?

IV. LEADERSHIP

List all activities actively involved with that can demonstrate leadership potential and involvement. These activities can be school, community, or work related. Examples of these are involvement in school sports, clubs, or any other type of activity that requires time commitment. *Please provide a signature of the coach/supervisor/activity director along with what it is and how long you have been involved with it.*
