Students are welcomed to Field Club Elementary in a variety of ways. Safe Walk to School night is held the Monday before school starts where students and parents have a chance to visit their classroom and meet their teacher. Once school is in session, all new students and families meet with office staff to complete the necessary paperwork. Students start the next day, allowing the teacher to have all the materials, nametags, locker, and seating arrangement complete. Open House is held in September. Parent and students attend Open House working together to complete a scavenger hunt to ensure they see all that Field Club has to offer. Two Title One Parent meetings are held to provide information about curriculum, classroom expectations,

homework policy and parent involvement. Incoming kindergartners are invited to attend a meet & greet event where parents meet with staff to receive important information while students visit classrooms and do a project with teachers as a way of introducing them to the learning environment. Pre-kindergarten Round Up is in March. Parents and students attend round up. The Pre-kindergarten teacher meets all incoming students. Students are screened on this day for PreK.
