OMAHA PUBLIC SCHOOLS

**Jefferson
Elementary**

Multi-Tiered System of Support for Behavior (MTSS-B) is being implemented in all Omaha Public Schools and Programs.

We believe...

We cannot “make” students learn or behave.

But we CAN create environments to increase the likelihood that students learn and behave.

We CAN create environments to increase the likelihood of positive behaviors occurring.

These environments are guided by a set of standardized practices implemented with consistency and fidelity.

MTSS-B is a problem-solving framework for teaching desired behaviors in each school. MTSS-B utilizes consistent practices that have tiers of increasingly intensive supports to increase the likelihood students are academically, emotionally, behaviorally and socially successful.

With consistent implementation, Multi-Tiered System of Support for Behavior

- Improves the school climate
- Reduces aggressive behaviors
- Reduces major disciplinary infractions such as suspensions
- Improves concentration, positive social behavior, and emotional regulation
- Improves academic achievement.

If you would like more information about how MTSS-B is implemented in your school, contact the building principal.

Welcome To Jefferson School

The teachers, administrators and staff are excited about Jefferson and our educational program. This handbook is prepared for the parents of our students and the students themselves.

The Jefferson Student and Parent Handbook contains important guidelines concerning Jefferson Elementary School. It also identifies our school rules, which all students are responsible for knowing and observing. Parents, we need your help! In the best learning situations, children are frequently reminded of expectations by all caring and nurturing adults in their lives. Parents share in the responsibility of making sure their child understands the information contained in this handbook. This information will also be helpful to parents as we begin a new school year. If you have any questions, please feel free to call the school, or better yet, come visit us soon!

Please review the handbook with your child as soon as possible. The entire Jefferson staff joins me as we welcome you to Jefferson Elementary!

Sincerely,

Jennifer Schlapia, Principal

History of Jefferson

Jefferson staff and students are excited to be learning in a newly renovated school at 4065 Vinton Street. The school first opened in 1924 at 38th and Valley Street and is now located at 40th and Vinton. The remodeled building offers all of the most modern facilities such as wireless internet, climate controlled rooms, and carpet throughout.

We are very fortunate to be working and learning in such a beautiful facility.

Jefferson Elementary Mission Statement

Our mission is to inspire, nurture, engage, and support our students to be life-long learners and positive citizens of society.

Daily Schedule for K-6 Students

8:35-9:05..... Breakfast

8:50 Tardy bell

4:05 Dismissal

No student should arrive at school before 8:35 a.m. Students arriving for breakfast may enter the building at 8:35 a.m. and **must go directly** to the cafeteria. Jefferson serves Grab-n-Go breakfast.

GENERAL INFORMATION

Accidents

In the event of an accident at school, emergency first aid is administered and parents are notified. If we are unable to reach parents, the emergency numbers you provided are called. It is essential that parents keep the office informed of any address or telephone changes. The physician's name or number, the name or number of a neighbor or person to be called if parents cannot be reached should also be current. In case of an accident at school, parents are responsible for determining if the child should visit a doctor.

Address Change

If you are moving, whether it is in the Jefferson attendance area or not, please notify the office (531-299-1640). It is important that we have current information of where we can reach you at all times. We are also required to complete an address verification form whenever a child moves. If you plan to move out of our attendance area or the school district, please notify the office in advance so that we can prepare a transfer form which will admit your child to the new school.

Birthday Treat Policy

One of our wellness goals at Jefferson is to promote a school environment that provides consistent wellness messages that are conducive to healthy eating and being physically active. In order to reach this goal, parents, students and staff need to work together. At Jefferson we are requesting that birthday food treats not be brought to school. Celebrating birthdays is important, but we would like these celebrations to include items that would enhance the learning environment of our school. Instead of sending "food" treats to school, we encourage a donation to the school. With a donation of \$10, your child can choose a book or game that would be donated to his/her classroom. The book or game would have a sticker with your child's name in honor of his/her birthday. We have books and games at school, ready for this new policy to begin. If you have any questions or comments about this new policy, please contact Mrs. Schlapia.

Birthday Invitation

Birthday invitations should not be passed out during school hours.

Grab-n-Go Breakfast Program

Jefferson offers a breakfast program served from 8:35 until 9:05 a.m. All students have the opportunity to go through Grab-n-Go breakfast line. Students take their breakfast to the classroom to eat.

Care of Property

Jefferson's newly renovated building is a beautifully updated school facility and we must work at maintaining the building, grounds and educational equipment and materials. We need everyone's help to preserve our school and avoid wasting valuable tax dollars on repair and replacement of damage due to carelessness and vandalism.

Students who damage school property are expected to pay for the damages. School books and materials which are loaned to students at the beginning of the year are examined for damage, and problems noted at that time. Please help teach your child about the proper care of books and other school property. If school books or property are lost by the student, parents will be notified and asked to reimburse us for the items.

Cell Phones/Technology Items

At Jefferson, we understand a parents' reasoning for giving their child a cell phone for safety reasons. However, in order to maintain the focus on learning, students are not allowed to have their cell phones out, or turned on, while on school property.

All cell phones or technology items must stay in the backpack, out of the classroom or must be given to the teacher for safe-keeping. The school will not accept responsibility for lost or damaged phones.

If a phone is out or on, it will be taken by a staff member and held until a parent can pick it up.

Child Abuse/Neglect

The law requires that public school nurses, teachers, any school staff and administrators contact proper authorities in the event of “suspected” child abuse or neglect.

Classroom Visits

Parents are always welcome visitors at Jefferson.

For safety reasons, all exterior doors, except the main entrance by the office, are locked during the day. Be sure to stop by the office for a “Visitor’s Pass” before going to classrooms. Visits will be limited to 15 minutes.

Clothing/Student Dress

Students are to dress in an appropriate manner that does not distract others from learning. **(ie. No baggy, saggy pants, low-cut tank tops, mid-drift tops, spaghetti straps on shirts, short shorts, etc.)**

Students are asked to remove hats, hoods and coats once entering the building. These may not be worn during school hours. **Clothing with suggestive or objectionable language or graphics, or alcohol/tobacco logos, is NOT permitted in school.** Students wearing inappropriate clothing will be sent to the nurse to change, or a phone call will be made to a parent/guardian to come to school to pick up the student or bring appropriate clothing. Students are also asked to wear appropriate shoes. Shoes with wheels are not acceptable at school. **Flip-flops, high heeled shoes and certain types of sandals are a safety concern during recess and P.E. Face paint, tattoos, heavy make-up, hair color, etc., can also be disruptive to the learning environment.** If these types of problems occur, parents will be contacted to come pick up their children. Students are welcome to return to school as soon as the distraction has been eliminated. Student apparel is the responsibility of the parent, and cooperation is appreciated to ensure that student dress is safe and suitable for all school activities.

Complaint Procedure

If parents have a concern regarding a situation with their child at school, they are encouraged to follow these steps:

1. *Do not ignore problems or let them continue to grow and bother you and your child.* Please feel free to call the school and express your concerns.
2. *Contact your child’s teacher to discuss the concerns and possible solutions.* Just as we try to teach children to talk to each other concerning their conflicts, we ask that adults model these behaviors by meeting with the teacher to initially seek a solution.
3. *If the concern cannot be resolved with the teacher, the parent should then schedule a conference with the principal.* Your concerns are always important to us and we will make every effort to work with you to resolve the problem.

Computer Use Guidelines

Jefferson students are taught guidelines for acceptable use of technology at school. Abuse of these guidelines or the machines may lead to the loss of computer privileges and/or consequences.

Counselor

The counseling program at Jefferson School is designed to serve all students in a supportive manner. Every student participates in classroom guidance lessons taught by the counselor. Lessons deal with topics such as: friendship, communication skills, decision making, feelings and career awareness. Small group counseling, individual counseling and home visits are also components of the counseling program. Jefferson also has 2 therapy dogs to help support students.

Parents may want to consult with a counselor if there are special concerns such as:

- Repeated requests to stay home from school
- Unhappiness or discouragement for long periods of time
- Changes in school performance
- Problems with friends
- Health problems
- Inappropriate behaviors i.e. stealing, lying, extreme shyness, crying easily, cruelty toward others, etc.

Please contact the counselor if you have questions or concerns, so that we may work together to solve any difficulties.

Early Dismissal Request

If it is necessary for a child to leave school early, please come to the office and sign him/her out of the building. Students that leave school before 4:05 p.m. will receive p.m. tardy minutes for the time gone.

If you are sending someone to pick up your child from school, notify us in writing that the child is to be taken from class. The note should state the name of the person who is taking the child and the date and time the child is to be taken from school. If possible, we will call to verify the note. This way we will know that someone other than the parent is authorized to take the child from school. A picture ID will be required upon arrival.

Evacuation Procedures

In the event that we experience an emergency and it is necessary to move the students out of the building, our evacuation site is **St. Thomas More Church, 3515 So. 48th Ave 68105.**

Field Trips

Bus rules apply for all field trips and other experiences. Permission and Release of Liability forms are sent home whenever students are to participate in field trip activities. These forms **must** be signed and returned to school before the student may participate in the field trip. We are **not** able to accept verbal parental permission in lieu of written permission. For the safety of all students and staff, students with inappropriate behavior will not be allowed to accompany their class on the field trip.

Fire and Severe Weather Drills

The school has clear signals for both fire and severe weather drills. Students participate in regular drills to be certain that they recognize those signals and know how to react and where to seek an exit or safe shelter.

Holiday Parties

Halloween Party

Jefferson Elementary celebrates Halloween during an after-School family event called Trunk-or-Treat. This is a great opportunity to celebrate with the whole family! The date will be announced in the school newsletter.

Valentine Party

Jefferson will be hosting a BINGO assembly for all students the afternoon of February 14th. During the assembly the students will participate in BINGO and have a healthy snack provided by the school. The teachers will take the students back to the classroom, before dismissal, to hand out their Valentine cards. We will not be requesting treats, candy or room parents this year.

Information Center

Every child has at least one weekly library period with the Media Specialist to learn library skills and check out books. Books are checked out for one week. Students are expected to pay for damaged or lost books. **Plastic bags or book bags should be used to transport books to and from school.**

Pets

For the safety of our students and staff please refrain from bringing pets on school grounds during times such as arrival, dismissal recess, etc.

Lost and Found

Students are asked not to bring valuables or unnecessary items to school. Lost or damaged personal items cannot be replaced by the school. We request that no money (except the exact amount needed for lunch) or valuables be brought to school. When sending money for lunch tickets or any other requested reason, it is helpful if the money is placed in an envelope and labeled with the child's name.

Video games, cellular phones, iPhones, iPads, radios, cassette, CD players, MP3 players, yo-yo's, pagers, money, etc. should not be brought to school.

To prevent loss, it is wise to mark tennis shoes, books, caps, coats, scarves, gloves, etc. with your child's name. If your child loses an item, the child should check the school's Lost and Found.

Lunch

Lunch money is collected every morning. If you choose to pay for a week or a month, please send the correct change or a check made out to **“Douglas County School District 001”** in the exact amount. Omaha Public Schools’ policy does not allow students to charge their lunches. We send home a note to remind parents to send lunch money the next day. On-line payments are now available.

Applicants for free and reduced lunch are notified within two weeks regarding the status of their request. Students who previously received free or reduced lunches have the same lunch status for two weeks or until the application is processed. However, if we do not receive the completed application by the end of the second week of school, these children must buy their lunch or bring a sack lunch.

If a child is allergic to a particular food, please send a written statement from the doctor to school. This is required by federal guidelines.

Students may choose to bring their lunch to school and may purchase milk. **Noncarbonated drinks only are encouraged in lunches brought from home. Fast food items are prohibited by state law from being consumed during the lunch period. Please do not bring fast food to your child for lunch.**

Jefferson Family Club

Parents are encouraged to join the Jefferson Family Club. Your active participation allows you to become more interested and informed about school programs and gives you an opportunity to become acquainted with other parents and staff.

Report Cards

A report card is an attempt to give parents an honest, accurate assessment of your child’s progress. Report cards are issued four times a year at the end of each quarter. We hope that parents study the report carefully and contact the school if there are questions about the grading system.

Mid-term reports are sent to parents of all students.

Supervision

For safety purposes, students are not allowed to attend evening/weekend activities without adult supervision during the entire event.

Supplies and Books/Toys

All school supplies are furnished. Toys **(including fidget spinners)**, games, cell phones, electronic games, beepers and other materials should not be brought from home unless requested by the teacher. If these items are brought without permission, they will be relinquished to the teacher or principal. Parents may claim them from the teacher or principal at any time. The items will not be released to the student. Please note that students who bring toy weapons will be subject to disciplinary action as determined by the school administrators using the district code of conduct.

Telephone Use

The school telephone is a busy telephone. It will only be used by students for emergency situations and only with the permission of a teacher, secretary or principal. Arrangements for rides and after school activities should be made before leaving home. Parents are advised that all telephone messages should be called into the office **no later than 3:00 p.m.** to guarantee the child receives the message before dismissal. **Students will not be called to the office to talk on the phone.**

Tennis Shoes for P.E.

Physical education is an integral part of all class schedules. For safety reasons, all children are required to have athletic shoes available on physical education days.

Visitations

Only parents or legal guardians are encouraged to visit children's classrooms at any time. For safety reasons, visitors are required to show ID when checking in at the office before the visit. Visitors who wish to confer with a teacher are to arrange for an appointment at a time beyond regular class hours to discuss their child's progress. All visitors are asked to report to the office to sign in and receive a Visitor's Pass before going to the classroom. Visitors must return to the office to sign out and return the Visitor's Pass. Visits will be limited to 15 minutes.

General Rules

Bicycles, Scooters, Skateboards and Rollerblades

For safety reasons, the use of bicycles, scooters, skateboards and rollerblades to and from school are not permitted.

Bus

A Jefferson staff member will always be available to check students off the bus in the a.m. and onto the bus in the p.m. Please be sure to notify the teacher if your child will not be riding their bus.

It is the policy of the Omaha Public Schools that the bus ride is an extension of the classroom. Acceptable behavior at bus stops and on the bus is required just as it is required in the classroom. The provision for transportation is a privilege and may be withdrawn if a student's misconduct warrants such action.

Students are expected to follow these rules:

- Obey the bus driver.
- Remain seated.
- Keep head and arms inside the bus.
- No throwing objects from or on the bus.
- No profanity or obscene language.
- No fighting.
- No animals or food are allowed on the bus.

The bus driver is required to "write-up" any student who disregards the rules and submit the referral to an administrator. Upon receiving the referral from the bus driver, the following consequences will result.

If a child participates in behavior that is considered severe by an administrator, immediate removal from the bus or other consequences may occur.

Note: It becomes the responsibility of the parent to get the student to and from school if the student has been advised that he/she is "off the bus." "Off the bus" does not mean that the student is suspended from school. Students who miss class because they have been taken off the bus will be marked unexcused and are required to make up all class work.

Only qualifying students are allowed to ride the bus to or from school. If it is necessary for a student to ride a different bus for the day, a note from the parent is required by the principal and bus driver.

Jefferson Good Citizen Plan

The faculty and staff at Jefferson are dedicated to the goal of improving achievement and educational opportunities for all students. In order to accomplish this goal, we believe it is important for us to establish an atmosphere throughout the school where children feel safe, secure and happy, and where each child has the maximum opportunity to learn. We believe that parents want their children to give their best effort and follow school rules, which in turn helps children do better in school.

With this in mind, a *Jefferson Citizenship Plan* has been developed. The Citizenship Plan consists of the following:

- Rules for expected behavior of students.
- Positive recognition for students who choose to follow the rules.
- Consequences for students who choose not to follow the rules.

Students are expected to follow all school and classroom rules. Each classroom and common area has the rules posted and students have the opportunity to practice appropriate behavior with the teacher's guidance. Life skill lessons are taught through the guidance department.

Jefferson has a Positive Action Center (PAC Room). The PAC Room is used as a place for students who may need to be removed from the classroom to refocus. The PAC Room is staffed by a trained paraprofessional. While in the PAC Room, students complete action plans telling how their behavior will change. Parents are notified if students are sent to the PAC Room.

Good citizenship is expected and encouraged at all times at Jefferson. The faculty and staff are interested in building positive self esteem in all students, and motivating students to do their best work and behave appropriately. We hope students choose to work hard and follow the rules.
