

Sunny Slope Elementary

Goal #1

By 2025, we will increase the percentage of students on or above grade level in reading by 5%.

We will accomplish this by purposeful backwards planning for direct instruction within classroom, implementing gradual release of instruction (model, shared, guided, and independent), and teaching structured literacy and foundational skills with consistency and accuracy.

Goal #2

By 2025, suspensions will be reduced by 5%.

We will accomplish this by implementing high quality Tier 1 practices throughout the school (focus on classroom environment), implementation of Tier 2 and Tier 3 interventions and supports for specific students, follow updated school wide behavior plan with fidelity.

Goal #3

Sunny Slope will maintain high staff attendance and retention rates by continuing to foster joy and community within our staff.

We will accomplish this by recognizing staff through weekly updates, celebrating accomplishments through "30 Ways to Say Yay!", and planning of events and celebrations through the Sunny Slope Sunshine committee.

Goal #4

By 2025, we will increase the percentage of students who fall in the not chronic and at-risk attendance category from 65% to 73%.

We will accomplish this by increasing parent awareness and engagement, tracking attendance data weekly, recognize and celebrate attendance through our Attendance Hero campaign.
