22-23 Back to School Days Directions

BEFORE attending orientation, we request that you complete the following steps as you are able. *The majority of these steps are completed online; and should be possible through a student's Omaha Public Schools iPad or a home device.* Support and devices will be available on August 3rd and 4th at school during orientation. We are here to help!

STEP 1 Ensure that you can log in to the PORTAL

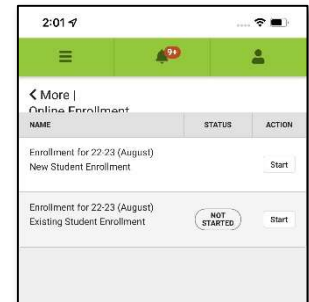

All parents/guardians are REQUIRED to have access to the parent side of Infinite Campus. Students and Parents / Guardians should both log into the Student Portal & Parent Portal in Infinite Campus to complete orientation. You can find directions on the next page.

STEP 2 Complete the Annual Update of Student Information in the PORTAL

At the start of each school year, it is required that parents & guardians confirm and update contact and health records **for the safety of our students.** Once logged in to the Parent Portal, guardians will be directed to update information for ALL of their students enrolled in Omaha Public Schools.

** If you have moved to a new address, please bring documentation to Back to School Days to ensure school information is received at the correct home. A major utility bill or lease/mortgage agreement is acceptable.*

STEP 3 Complete and Sign Technology Agreement in the PORTAL

Inside of the portal, under the menu, please select DOCUMENTS. Please review and provide an electronic signature on the Technology Agreement Form. **Then ask your student to log into the portal from their iPad or device and sign the student version of the technology agreement.**
