

# Advanced Medical Camp

**Incoming Omaha Public Schools juniors and seniors: Join Nebraska Medicine and Clarkson College for a week-long summer camp to explore health care careers.**

## CAMP DESCRIPTION

Campers will have the opportunity to build upon their basic knowledge and interest in health care through real case scenarios and hands-on activities in high-definition simulation labs and faculty-led patient care activities. This camp will focus on the health care path of a single patient from intake to discharge across multiple health care professions. Discover which profession interests you and learn how to pursue it.

### Job shadow to explore careers in:

- Nursing
- Physical therapy and occupational therapy
- Lab
- Respiratory therapy
- Radiography
- Operational improvement
- Business

### Get hands-on experience with:

- 3D printing and training
- High-fidelity simulation
- Virtual reality/health care technology
- Suturing
- Intubation in the OR
- Resume building and interviewing
- And more

## CAMP DETAILS

**Dates:** July 14 to 18

**Times:** 8:30 a.m. to 12:30 p.m.

**Location:** Arrive at Clarkson College each morning. Campers will spend time at the college and Nebraska Medical Center throughout the week.
