Parent's Ultimate Guides

Encourage parents and caregivers to be non-judgemental partners in their kids' digital media lives. Staying interested and joining in on their fun is one of the best ways to keep connected and not get shut out.

- *Is TikTok safe for my child?*
- *Is my kid's location being tracked on Snapchat?*
- *How can I minimize my kid's exposure to iffy videos on YouTube?*

These are some of the questions families are asking teachers. Direct your families to Common Sense's Ultimate Guides to answer many of their questions. Available in English and Spanish.

Family Fare Receipt Drive

Total :

3/21=\$61,892

6/22=\$68,027

9/12=\$84,479

10/10=\$89,532

Fundraising Made Easy!

Please save your original receipt from any trip to a Family Fare grocery store and bring them to the office at Bryan High School.

Just by saving the receipt from your total purchases, you can help us earn money for the PTO! Through Family Fare's *Direct Your Dollars* program, we can earn \$1,000, simply by collecting \$150,000 in eligible receipts. That sounds like a large amount to collect, but when we have many families helping, we can get there easily.

Please participate in this simple fundraiser and encourage your friends and family to help 😊!

Casey's REWARDS

Once enrolled in Casey's Rewards, you will earn 10 points for every dollar spent in Casey's stores, in the app, or at Caseys.com. Earn 5 points for every gallon of fuel at the pump (Restrictions apply). To earn, show your Casey's app barcode at checkout or provide your phone number at the pump or over the phone. Online, simply login to your Caseys.com account and start ordering! For every 250 points earned, you can redeem them for \$1 Casey's Cash, 5¢/gal fuel discount (maximum 20 gallons) or a \$1 donation to your local school of your choice. It's your choice!
