It is the student's responsibility to keep track of all dual enrollment courses taken; this information is not kept at Burke by the Dual Enrollment Coordinator nor the student's counselor. Students will need to request and pay for an official transcript at each secondary partner's institution when in need of official documentation.

If a student drops a Burke course in which the student is also dual enrolled (student applied and was accepted for dual enrollment status), it is the student's responsibility to drop the dual enrollment course. Please see each secondary partner's webpage for specific information regarding course withdrawal procedures, dates, and possible fees.

NOTE for classes with **: These classes are weighted more than the typical 3 credit hours for a college level course at UNO and Midland.

Therefore, students will be expected to spend additional time outside of the school day studying and/or completing assignments. Please keep this in mind when deciding to register for Dual Enrollment. If you have questions, please speak to your student's teacher(s).
