

Chandler View Arrival/Dismissal Procedures

We strive for a safe arrival and dismissal for our students every day. Your willingness to follow procedures and staff directions will ensure everyone's safety. We know that those times of days can be quite hectic and often take longer than expected. Our goal is to move traffic as quickly as possible while keeping our students safe. Your cooperation is key!

Arrival

- Students should not be dropped off before 8:35.
- Pull up in the right lane against the curb to drop students off.
- Never drop students off in the left lane.
- Do not stop or park in the crosswalk.
- Students being dropped off in the parking lot will cross the street at the crosswalk.
- Be kind to staff when they ask you to follow the guidelines.

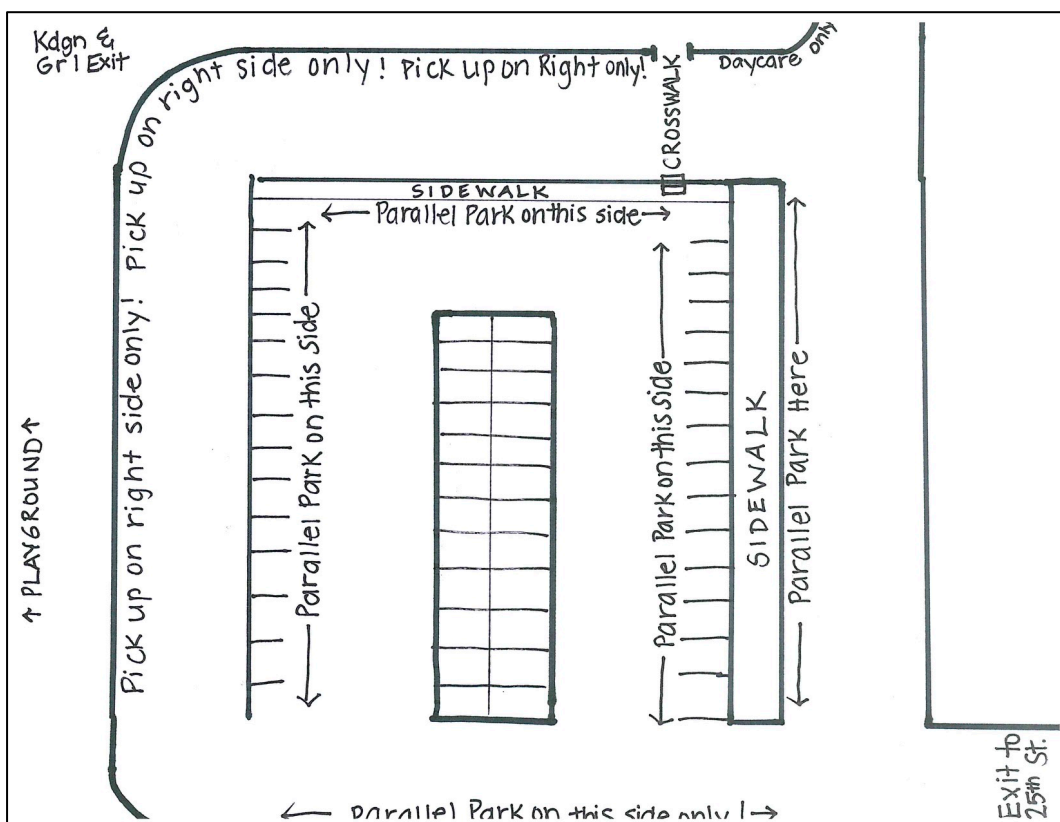

Dismissal

- Pull up in the right lane against the curb to pick students up. (After the crosswalk)
- Never pick students up in the left lane.
Please do not ask students to break the rules and run across to get into the car.
- You may have to do several laps before finding a right curbside space or space in the parking lot. Please be patient!
- Do not stop or park in the crosswalk.
- Do not park in the bus lane or daycare parking spaces (area before the crosswalk).
Parking in the bus lane is permitted only after ALL buses are gone. If there are still buses present, please do not pull in and park in front of them.
- In the main parking lot, cars may double park on the left side only (outside lanes).
Please leave the right side (inside lanes) open so traffic can flow through the parking lot. If you choose to park in a parking stall, be prepared to wait until traffic clears out to safely back out of your parking stall.
- Be kind to staff when they ask you to follow the guidelines.

Thank you for your patience and for following the directions of our staff members when dropping off and picking up students. If someone new is dropping your child off or picking your child up, please be sure to share the guidelines with them as well.

Together, we will have a safe and quick arrival and dismissal!

Parking Lot Map

Hate waiting in the parking lot traffic?

Have your child(ren) walk to Mose Avenue (first street to the north), Cornelia Street (first street to the south), or Sautter Avenue (first street to the southeast, by townhomes). You can park your car there and wait without having to come onto the CV Campus! Mr. Taylor is available to cross students in the crosswalk going to Sautter Avenue.

If you choose to begin doing this, be sure to communicate with the office that your child's dismissal plan has changed and that they now will be walking to

Street/Avenue.
