The OPS Board of Education must approve all bid awards and contracts of $50,000.00 or more. Except due to a holiday or an extenuating circumstance, the Board generally meets the first and third Monday of each month for approval of bids and purchases. Approval or award of a bid by OPS or its Board of Education does NOT constitute a contract between OPS and the bidder, and no contract shall be deemed created, nor shall OPS be deemed obligated in any manner to bidder, until such time as a contract is signed by Contractor and OPS or OPS issues a purchase order for the Product. OPS will either sign a contract with or issue an official purchase order to the successful bidder which will constitute the contract with OPS for the purchase of the Product or Products specified in the contract or purchase order and will incorporate by reference into the contract or purchase order the Contract Documents (defined in Article III General Terms and Condition, paragraph 1 below). OPS will submit to the successful bidder after the bid award the contract form that will be utilized by the parties.

8. **Collusive Bidding:** The bidder’s submission of its bid response is the bidder’s representation and guarantee to OPS that the prices quoted have been arrived at without collusion with any other eligible bidders and without an attempt to preclude OPS from obtaining the lowest possible competitive price, influencing the prices quoted by any other eligible bidder or discouraging other potential bidders from bidding.

9. **Bid Tabulations:** Bid tabulations are available for review, by appointment, in the Purchasing Division offices. Copies of the bid tabulations are available. The cost for a bid tabulation copy is $5.00 for any tabulation up to 20 pages in length. There is an additional charge of $.25 for each page in excess of 20 pages. Make checks payable to Douglas County School District 0001. Bidders may include a
request for a bid tabulation copy with its bid response or may contact the OPS buyer to make a request. The OPS buyer will notify the bidder regarding the cost of the bid tabulation once it is known.

III. GENERAL TERMS AND CONDITIONS. The following terms and conditions, along with the remainder of the Bid Documents, will become a part of the contract or purchase order between the successful bidder and OPS. The term “Contractor” as used herein, means the successful bidder that is issued a purchase order by OPS or who contracts with OPS to furnish the Products or services being bid.

1. The Contract or Purchase Orders: The contract or official purchase order that is issued by OPS to the Contractor will constitute the “Contract” with OPS for the purchase of the Products or services specified in the Contract or purchase order and will incorporate by reference the Bid Documents and Contractor’s completed bid form (all of the foregoing documents, including the Contract or purchase order and Contractor’s completed bid form, are collectively the “Contract Documents”). In the event of a conflict between the terms of the Contractor’s completed bid form and the remainder of the Contract Documents, the remainder of the Contract Documents shall control.

2. Term: The initial term of the Contract (“Initial Term”) will commence upon execution of the Contract by OPS and the Contractor and will expire, if not sooner terminated as permitted by the Contract Documents, on July 31, 2025. OPS may elect to extend the Initial Term for up to two (2) additional one-year (1) terms (each an “Extension Term”), in which event the Contract will terminate at the end of the last Extension Term elected by OPS, unless sooner terminated as provided in the Contract Documents (the Initial Term and each Extension Term elected by the District are collectively referred to herein as the “Term”). If OPS elects to extend the Term of the Contract, it shall notify the Contractor in writing of its election to extend the term by notice to the Contractor at any time prior to the expiration of the Initial Term for the first Extension Term or prior to the expiration of the First Extension Term for the second Extension Term.

3. Taxes: OPS is exempt from Nebraska State and city sales and use taxes. No sales or use taxes shall be included in the bid or collected from OPS. The OPS tax-exempt number is 05-0597767. OPS will provide the Contractor with its tax-exempt form upon request. Where Federal statutes exempt OPS from the payment of excise or manufacturer’s taxes on materials or equipment, bidders shall exclude the amount of any Federal excise or manufacturer’s taxes from its bid.

4. Compliance with the Law: Contractor shall comply with all applicable federal, state and local laws, ordinances, regulations and codes in the performance of the Contract. Contractor shall have the necessary rights, licenses and approvals required to provide the specified Products and services. Contractor represents that it is not listed on the non-procurement portion of the General Services Administration’s “List of Parties Excluded from Federal Procurement or Non-procurement Programs” in accordance with Executive Orders 12549 and 12689, “Debarment and Suspension” (See 45 CFR part 76.) as the same may be amended from time to time.

5. Invoices: Invoices will not be submitted to OPS until the Products furnished to OPS that are included in the invoice have been delivered and accepted by OPS at the delivery point. All invoices must be sent by email to the OPS Accounts Payable Division at acctspayable@ops.org and shall contain the OPS purchase order number on the face of the invoice. Invoices must be approved and processed ten (10) work days prior to the next Board date, where approval is requested for payment. Payments are generally issued the Tuesday following the Board meetings held on the first and third Mondays of a month, except in those instances when the normal twice-monthly Monday Board of Education meeting is delayed, due to a holiday or other extenuating circumstance.

6. Civil Rights: Contractor will comply with Title VI of the Civil Rights Act of 1964 (P.L. 88-352), as amended by the Equal Opportunity Act of 1972, all requirements imposed by or pursuant to the Regulations of the Department of Education (34 C.F.R. Part 100) issued pursuant to that title, the Pregnancy Discrimination Act of 1978, Federal Executive Order 11246, the Federal Rehabilitation Act of 1973, as amended, the Vietnam Era Veteran’s Readjustment Assistance Act of 1974, Title IX of the Education
amendments of 1972, the Age Act of 1972, the Americans With Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Nebraska Fair Employment Practice Act, Neb. Rev. Stat. §48-1122. Contractor agrees no person in the United States shall on the grounds of race, color or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which OPS receives federal financial assistance from the Department; and hereby gives assurance that the Institution will immediately take any measures necessary to effectuate this Agreement. The Contractor further agrees to comply with all applicable requirements of state and local laws, ordinances, and regulations regarding nondiscrimination in employment. Contractor agrees not to discriminate in its employment practices and will render services under this Agreement without regard to race, color, national origin, religion, sex (including pregnancy), marital status, sexual orientation, disability, age, genetic information, gender identity, gender expression, citizenship status, veteran status, political affiliation or economic status. Any act of discrimination committed by Contractor or failure to comply with these statutory obligations when applicable shall be a default under the Contract Documents.

7. **Employment Eligibility:** If the contract with OPS requires physical performance of services in the State of Nebraska, as determined under Nebraska law, the Contractor awarded the contract shall be required to register with and utilize an electronic verification system or program, whether the work authorization program of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, 8 U.S.C. 1324a, now known as the “E-Verify Program” or an equivalent federal program designated by the Department of Homeland Security or other federal agency authorized to verify the work eligibility status of a newly hired employee pursuant to the Immigration Reform and Control Act of 1986. The contractor shall contractually require all subcontractors performing work under such contract to also register and utilize such electronic verification system. The Contractor awarded the contract and all of such Contractor’s subcontractors shall use such electronic verification system to determine the work eligibility status of each new employee physically performing any services within the State of Nebraska under the contract. Any person whom the electronic verification system determines is ineligible or not authorized to work in the United States shall not be permitted by Contractor nor any subcontractor to perform services in Nebraska under such contract. The contractor shall provide such reasonable documentation as OPS may request from time to time during the performance of the contract and for five (5) years thereafter documenting compliance with the provisions of this Section. Failure to comply with these provisions will constitute a default under any contract awarded by OPS.

8. **Public Benefit:** For purposes of complying with Neb. Rev. Stat. §§ 4-108 through 4-114, if the Contractor is a sole proprietorship or a general partnership, the Contractor represents to OPS that the sole proprietor or each general partner, as applicable, are citizens of the United States or that are qualified aliens under the federal Immigration and Nationality Act. Any qualified alien must provide to OPS that person’s immigration status, alien number and a copy of their USCIS documentation upon request by OPS.

9. **No Assignment:** Contractor awarded the Contract or issued the purchase order shall not assign the same in whole or in part to any other person or entity without the prior written consent of OPS, which consent OPS may withhold in its sole discretion. No interest of Contractor in the Contract shall be transferred by operation of law.

10. **Subcontracting:** If Contractor intends to utilize subcontractors for the performance of any services under the Contract, OPS shall have the right to review any subcontractors that the Contractor intends to use for this contract. Any approved subcontractor shall meet all requirements of the Contract. Subcontractors selected by the approved Contractor will be the direct responsibility of such Contractor and not OPS. The responsibility for coordinating and managing the activities of a subcontractor lies with the Contractor and not OPS.

11. **Termination of Contract:** In the event that the Contractor awarded the Contract or is issued a purchase order fails or refuses to perform such Contract or purchase order according to its terms, or in the event such Contractor otherwise defaults in the performance thereof, OPS may, in addition to all other rights that it may have at law or equity, terminate such contract or purchase order, and may enter into a contract with another vendor for the same Product or service. Any additional costs incurred by OPS in obtaining such
Products or services from a substitute contractor, shall be paid by Contractor to OPS, in addition to any other damages that OPS may have suffered due to such default.

12. **Governing Law, Jurisdiction and Forum Selection.** The laws of the State of Nebraska shall govern the interpretation and performance of the Contract between OPS and Contractor and of the Contract Documents without regard to its conflicts of laws principles. The Contractor who enters into the Contract with the District shall irrevocably consent and submit to the personal jurisdiction of the state and federal courts of Nebraska. Any action brought to enforce or interpret any provision of the Bid Documents or the Contract Documents shall be brought in the state or federal courts located in Douglas County, Nebraska. The Contractor hereby acknowledges and agrees that the state and federal courts located in Douglas County, Nebraska, are proper and convenient forums in which to litigate any matter pertaining to the Bid Documents or the Contract Documents.
