This addendum is issued by Omaha Public Schools and shall be made a part of the Bid Documents. Bidders shall acknowledge receipt of this Addendum on the SIGNATURE PAGE of the Bid Form.

The following amendments are made to the original list of school facilities:

- Gateway Elementary School Inspection Type has been changed from “Annual” to “5-Year.”
- Norris Middle School, 1 Dry system is added for the kitchen freezer.
- Spring Lake Elementary School is added to the original list of OPS Facilities.

Clarifications:

One-hundred (100) facilities are to be inspected. All are due for an annual Fire Sprinkler and Back Flow Valve Inspection. Fifty-four (54) of the facilities are also due for a 5-year inspection in addition to the annual.
