Bids must be submitted in accordance with the requirements stated in these Bid Documents. The Bid Documents include this Bid Invitation, the Bid Submission Instructions, the General Terms and Conditions, the Product Specifications and the bid form.

II. BID SUBMISSION INSTRUCTIONS: To be considered, bids must be submitted in accordance with these bid instructions:

1. Bid Preparation. All bids must be completed and submitted on the unaltered OPS bid form that is a part of the Bid Documents. DO NOT SUBMIT BIDS ON ANY OTHER FORM. Unless specifically allowed in the Bid Documents, only one bid form may be submitted by any bidder. All required blanks on the bid form must be completed and the final page of the bid form must be signed by an authorized representative of the bidder. All prices are to be rounded off to two decimal points. All prices should be quoted F.O.B. Omaha Public Schools delivery site in Omaha, Nebraska. The amount bid shall be the total cost to OPS for the Products as specified, including all specified equipment and services, and no additional amount will be paid by OPS to the successful bidder for the buses delivered to OPS at the delivery point specified. No bidder will be allowed to offer more than one price for the buses proposed by the bidder and the price shall be stated on a per bus basis and also for all buses as specified in the Bid form. If the bidder submits more than one price on any bus, the bid will be rejected. Even though a particular manufacturer’s name or brand may be specified in the Bid Documents for any equipment, bids will be considered that propose to furnish the same equipment from other manufacturers if it is of equal or better quality in the opinion of OPS, unless the bid clearly indicates that a particular manufacturer or product type (NO SUBSTITUTE) is required. On all bids on which an alternate manufacturer or product type is allowed to be proposed by a bidder, the bidder shall indicate clearly the Product on which it is bidding, and shall supply product samples or descriptive data, to be attached to the original copy of the bid where applicable. If bidder fails to submit the above information, or if OPS determines that the proposed substitute equipment or product is not acceptable, the bid may be rejected by OPS. OPS reserves the right in its discretion to determine whether an alternate manufacturer or product is acceptable. In the event the bid is for an item that requires a Safety Data Sheet (SDS), bidder shall include such SDS with bidder’s bid proposal. Bids that attempt to change, modify or add additional terms and conditions to the Bid Documents (other than permitted exceptions and proposed equivalents to Product Specifications) by conditioning a bid response upon the acceptance by OPS of contract terms attached to a bid response or referencing in a bid response certain contract terms on a web site shall be considered non-complying bids by OPS and may be rejected by OPS.

2. Bid Questions: Any questions or requests for interpretation of these Bid Documents must be submitted in writing by e-mail to transportationBusBidQA@ops.org by Wednesday, May 8, 2024 at 2:00 p.m. CT. 4. **Variance from Minimum Specifications:** The Product Specification portion of the Bid Documents contains the minimum specifications for the Product. If equipment that is proposed to be furnished by a bidder varies from these minimum specifications, then the equipment proposed must exceed the requirements of the minimum specifications. OPS reserves the right to determine equivalence in evaluating any variance in the equipment proposed by a bidder in its bid proposal and whether the proposed equipment exceeds the minimum specifications. If OPS determines that the equipment proposed by a bidder is not the equivalent or does not exceed the Minimum Specifications, that bid will be rejected. Bidders shall include with their bid response attachments detailing the specifications of the proposed equipment and listing any variances from the Minimum Specifications.

5. **Bid Submission Deadline:** Bids are due at 2:00 p.m. Central time on the due date specified in the Bid Documents. Bids received after 2:00 p.m. Central time on the due date are considered late and will be returned unopened to the bidder. A withdrawal may only be done by the bidder via an e-mail message to the same locked e-mail bid box where the bid was originally submitted, with the notation of the subject line of the email stating “Withdrawal of Bid for New Type C Wheelchair Buses Bid No. 24-058”; and actually received by the OPS Purchasing Division prior to the date and time the bid is due. The withdrawal email should clearly state that the bidder is withdrawing its bid. A hard copy, facsimile or telephone withdrawal request will not be honored. An e-mail bid addendum or bid modification in lieu of a withdrawal is NOT acceptable and will be rejected. Bids may only be withdrawn by written e-mail notice received by OPS prior to 2:00 p.m. Central time on the due date. If properly withdrawn, a bid may be resubmitted in accordance with the Bid Documents so long as it is re-submitted prior to the deadline for submission of bids. All bids submitted and not withdrawn as specified in the Bid Documents shall remain open and be subject to acceptance for 90 days after the bid due date and may not be withdrawn prior to the expiration of such 90 day period.

OPS reserves the right to make multiple awards to bidders for some of the products specified, or may award the bid to one bidder for all products. The Board of Education will determine the bidder to be awarded the bid. After bid opening and evaluation of the bids submitted, a recommendation will be made to the Board of Education as to the bidder that the administrative staff is recommending to the Board for award of the bid. Except due to a holiday or an extenuating circumstance, the Board generally meets the first and third Monday of each month for approval of bids and purchases. OPS will sign a contract with the successful bidder for the purchase of the buses proposed by the successful bidder, which contract will incorporate by reference the Bid Documents. In the event of a conflict between the terms of the Bid Documents and the contract, the contract shall control. Approval or award of a bid by the OPS Board of Education does NOT constitute a contract between OPS and the bidder, and no contract shall be deemed created, nor shall OPS be deemed obligated in any manner to bidder, until such time as a contract is signed by OPS the successful bidder. OPS will submit to the successful bidder after the bid award the contract form that will be utilized by the parties, which must be signed and returned to OPS within ten (10) days after receipt.

9. **Collusive Bidding:** The bidder's submission of its bid response is the bidder's representation and guarantee to OPS that the prices quoted have been arrived at without collusion with any other eligible bidders and without an attempt to preclude OPS from obtaining the lowest possible competitive price, influencing the prices quoted by any other eligible bidder or discouraging other potential bidders from bidding.

10. **Bid Tabulations:** Bid tabulations are available for review, by appointment, in the Purchasing Division offices. Copies of the bid tabulations are available. The cost for a bid tabulation copy is $5.00 for any tabulation up to 20 pages in length. There is an additional charge of $.25 for each page in excess of 20 pages. In the event of such termination, the Contractor shall not be entitled to any further payment under the Contract. Should the cost of completing the performance of the Contract, together with such damages and expenses incurred by OPS through the default of the Contractor exceed the remaining unpaid balance of the Contract price, the Contractor shall pay the difference to OPS upon demand by OPS, in addition to all other damages OPS may recover, at law or equity, as a result of the Contractor’s failure to perform.
