The substantial completion for the high school was approved by the Board of Education in May 2022. The project is in the closeout phase with final punch list items being addressed and completed. The furniture for the academic wings continues to be installed and being delivered for the rest of the building. The interior finishes in the YMCA area is complete. The YMCA pool is complete. The Board of Education in December 2021 approved a design and construction budget used from Bond Program Savings in the amount of \$4.5M for athletic field adjustments. This additional work GMP Amendment is scheduled to go to the Board of Education for approval in Summer 2022.

**COMMENTS** 

The 156th and Ida Street High School scope of work includes construction of a new 1500-student capacity facility. Additional square footage has been added to the plan to accommodate a partnership with the YMCA of Greater Omaha (YMCA). Through this partnership, OPS would contribute space for a cycling studio, child watch and YMCA offices, needed by the YMCA for their programs. The YMCA would contribute funds to support the construction of an aquatics center, consisting of a 6 swim lane pool with spectator seating and leisure pool area. The YMCA and OPS would share access to the Auxiliary Gym, Wrestling/Multi-Purpose Room, Weight/Fitness Room, Dance Aerobics/Multi-Purpose Room, Community Room. The shared Weight/Fitness Room and Dance Aerobics/Multi-Purpose Room would increase in size to align with the YMCA programs and equipment needs.
