1.39. **Substantial Completion** - Substantial Completion is the moment in time when the Work (or a specified part thereof) has progressed to the point where, in the opinion of OPS, the Architect and PM as evidenced by Architect's definitive Certificate of Substantial Completion, signed by the Architect and PM and approved by OPS, it is sufficiently complete, in accordance with the Contract Documents, so that the Work (or specified part) can be utilized for the purposes for which it is intended. The terms "substantially complete" and "substantially completed" as applied to all or part of the Work refer to Substantial Completion thereof. Whenever in the opinion of Architect any section or portion of the Work may be used or occupied by OPS without interference to the remaining Work, such section or portion may be so used and occupied and neither such partial use and occupancy nor any insurance, if any, purchased by OPS in connection therewith shall constitute an acceptance of such Work or any portion thereof as either substantially completed or complete. The approval of OPS with respect to the portions to be so used or occupied, shall also state the date or dates of commencement of Contractor's warranties and OPS's obligation to maintain.

COMMENTS

The remaining domed skylight and the vertical panel skylight work is substantially complete. There is some additional auditorium work in the sound booth the school has requested and will be addressed in Fall 2022. Some additional work has been requested for the stage set-up and this scope of work is being reviewed for pricing and delivery method. The project team continues refining an action plan for the on-going HVAC control work to be completed throughout the building through Fall/Winter 2022.

COMMENTS

The 156th and Ida Street High School scope of work includes construction of a new 1500-student capacity facility. Additional square footage has been added to the plan to accommodate a partnership with the YMCA of Greater Omaha (YMCA). Through this partnership, OPS would contribute space for a cycling studio, child watch and YMCA offices, needed by the YMCA for their programs. The YMCA would contribute funds to support the construction of an aquatics center, consisting of a 6 swim lane pool with spectator seating and leisure pool area. The YMCA and OPS would share access to the Auxiliary Gym, Wrestling/Multi-Purpose Room, Weight/Fitness Room, Dance Aerobics/Multi-Purpose Room, Community Room. The shared Weight/Fitness Room and Dance Aerobics/Multi-Purpose Room would increase in size to align with the YMCA programs and equipment needs. **GENERAL INFORMATION**
