

# 24-25 School Improvement Plan

**GOAL 1:** Increase the number of students on-track for graduation by 10% in grades 10,11,and 12 while maintaining 70% on-track for 9th grade.

- Teachers will utilize grade-level appropriate tasks that incorporate higher levels of thinking as identified by Bloom's taxonomy.
- Students will set weekly growth goals in Advisement (Bison Block) to measure progress and include their Bison Block teacher and parent in their communication.

**GOAL 2:** Increase ratings for "The atmosphere of this school is positive and staff members are proud of this school" by .5 points as measured by the climate survey.

**BVHS Mission:** The mission of Buena Vista High School is to provide a collaborative learning environment that promotes respect, growth, and positivity, while honoring the unique identity and story of each student every day.

- Maintain Sunshine Squad staff committee; add student committee to monitor and support climate.
- Maintain Principal and student round-table to provide stakeholders an opportunity to problem solve and provide feedback.
- Encourage staff attendance and participation in school events.
- Continue to enhance social media to share positives of school.

**GOAL 3:** Decrease the number of events of tardies and trancies by 5% as measured by attendance dashboard data

**BVHS Vision:** Respect, responsibility, positive relationships and joy

- Positively recognize students for attendance quarterly.
- Establish two laterers of school attendance team to monitor progress and partner with families in problem-solving and connecting supports.
- Enhance instructional efficacy through goal 1 criteria
- Operation KYAC (keep your attendance clean).
- Monitoring hallways; systematize procedures around interventions for tardies and trancies.
