WE'VE MISSED YOU!

Welcome back!!! We here at Panther Pack have been anxiously awaiting the day students are allowed back into Morton. This week was the week and we were SO EXCITED to see all the new faces as well as all the members we already know.

Students can be a part of our educational, fun and exciting after school program by completing just **THREE** easy and *painless* steps.

1. Complete the application online at : <https://forms.gle/ZL8cXQMMAhksxz5n6>
2. Attend the mandatory Parent Meeting with our Director via Zoom on a scheduled day and time.
3. Return the necessary paperwork (ROI) immediately to Panther Pack staff.

Frequently Asked Questions and Concerns...

Do I have to put in another application even though my student is returning from last year?

YES. Because of COVID-19, the application is online to limit cross contamination between parents, students, and staff.

What if I work during the day? I can't attend a meeting at that time.

We are asking everyone to please STILL tune into the meeting, mute yourself and turn off your camera if you are working or otherwise busy during this time. It is important you attend this meeting; your student will NOT be able to attend without documentation that parents/guardians have attended the meeting.

How will I know to attend? Once you put in your application, an email will be sent to our Director.

• WMY continued...

She will then send you an email with the log in information you will need to attend.

It is important to note that Panther Pack is only able to accept 100 students a day. If your student does not need the program at this time, please do not submit an application at this time. We want to leave all slots open for those students and parents/guardians that will utilize the program immediately. Everyone else will be put on a waiting list.

Any other questions will be answered during the parent meeting or you can contact our staff with the information located to the right of this article.

Thank you and we hope to see your student in Panther Pack!

FASHION SPOTLIGHT W/NYAH BELL

Fashion comes from all different styles, shapes, and sizes. No matter if you are skinny or big, fashion is for everyone and there are a bunch of trends, companies, websites and apps to help you ... should you need it.

Today's article will focus on fashion specifically for Fall. The focus will be on two outfits, one male and one female, are super cute and I would definitely wear them myself.

Fall into get it ... these super cute outfits

The female outfit is a black crop top paired with a black and yellow oversized flannel shirt/jacket. Put with a pair of ripped black jeans and some white Nike's. This outfit works for this time of year because it's not too hot out anymore but it's also not as cold as it can get in our state.

The male outfit is a black and white Adidas hoodie type shirt paired with some black ripped jeans, a pair of black Adidas shell toed tennis shoes and topped with a lightweight green jacket. Again, this outfit is great for this time of year because it's not too terribly hot or cold.

In conclusion, these outfits were picked because they were cute and fashionable. Would YOU wear either of them? I definitely would! I hope you like them, thank you for reading.... Peace Out! ~NyahB
