## FIELD TRIP TO VALA'S PUMPKIN PATCH

Our Field Trip to Valas on September 30 was a blast; we all enjoyed it! The Cousins Lauren's Racin Pigs was almost everyone's favorite—it was fun and enjoyable! We all participated in the roller coaster and Carousel.

## ACADEMICS

**Science:** We are learning about chemical properties and processes in 8th grade, and are studying anatomy in 7th grade. We have made homemade ice cream/popcorn and memorized many parts of the body.

**Reading/ELA:** We are reading a lot! We are finding some great books in the library with Mrs. Winter on Wednesdays.

**Math :** We are studying the combination of integers, both positive and negative whole numbers. So far most of us have successfully added and subtracted integers.

## HISPANIC HERITAGE MONTH

A famous Latino from Omaha is Edward "Babe" Gomez, who fought and died in the Korean War in the 1950s. He attended South High School, and he was the recipient of two Purple Heart Awards and the Congressional Medal of Honor. An Omaha elementary school is named for him.

## Hispanic Communities of South Omaha
