

Getting Started with Your iPad

Login Information: Username:
Password:

(By default, the Password is the student number. Passwords should not be shared with others. Each app may have different passwords; ask the student's teacher.)

The student's iPad comes preloaded with essential apps for learning. Apps will be managed remotely by the district. If you have any issues using the apps, please contact the student's teacher.

Teams: This app will be used for live class sessions and sharing of documents. Click the icon to launch Teams, enter the OPS student username and password. The student's classes will appear on the left side of the screen.

Outlook: Students and families can use their email to communicate with the teachers.

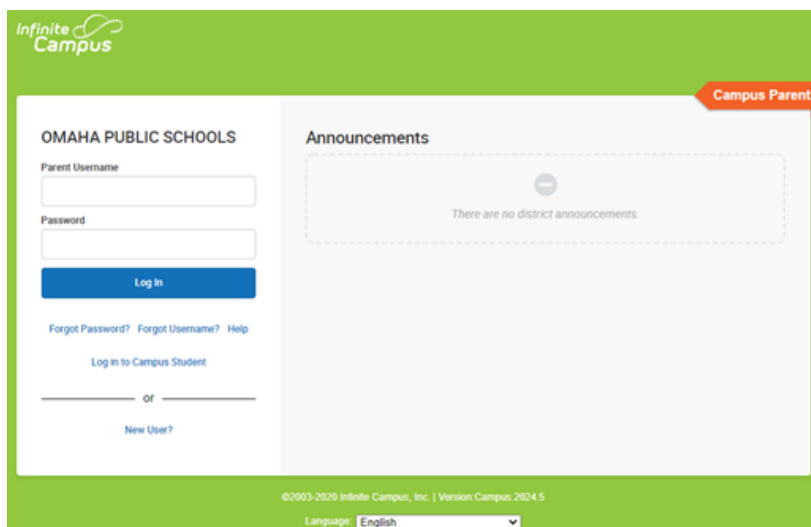

Clever: Clever is a portal that can be used to access many online resources, textbooks, files, website links, and applications. Students can log in using their OPS student username and password. Younger students can login using their Clever badge.

Troubleshooting Tips:

- ⇒ If the iPad is not functioning correctly:
 - Press and hold both the Top (Power) button and the Home button until the Apple logo appears.
 - If you are still having issues, please contact the teacher or school.
- ⇒ Additional Support:
 - Apple Support:
 - 24/7 phone support is available at 1-800-800-2775, option 3
 - Apple Support Website: <https://support.apple.com/ipad>
 - T-Mobile Hotline for Parents: 1-844-341-4834
 - District 1 to 1 Website – <https://1to1.ops.org>
- ⇒ Device Repair: The district has purchased Apple Care for the iPads, which covers up to two incidents of accidental damage per year. You can purchase extra coverage to limit the cost of a lost or stolen device. Contact the teacher or school for help with repairs.

Infinite Campus Portal for Parents:

The Infinite Campus Portal for Parents, which is part of the OPS student information system, allows parents/guardians to monitor students' academic progress online. Parents/guardians will be able to log in and view district and school announcements, schedules, current and final grades, missing assignments, attendance, immunization records, account statements and class newsletters. Additionally, parents/guardians will be able to email teachers and print a variety of reports including IEPs, current progress reports, current report cards (secondary only) and unofficial transcripts. More information can be found on the district website <https://district.ops.org>

The screenshot shows the login interface for the Infinite Campus Portal. At the top left is the 'Infinite Campus' logo. On the top right, a red tab reads 'Campus Parent'. The main content area is divided into two sections. The left section, titled 'OMAHA PUBLIC SCHOOLS', contains a login form with fields for 'Parent Username' and 'Password', a blue 'Log In' button, and links for 'Forgot Password?', 'Forgot Username?', and 'Help'. Below these is a link to 'Log in to Campus Student' and a 'New User?' link. The right section, titled 'Announcements', shows a dashed box with a minus icon and the text 'There are no district announcements.' At the bottom, there is a copyright notice '©2003-2020 Infinite Campus, Inc. | Version Campus 2024.5' and a language dropdown menu set to 'English'.

The graphic features the Omaha Public Schools logo at the top. Below it, the text 'Want to stay connected to your child's school?' is displayed. A speech bubble on the left says 'Receive text messages from Omaha Public Schools.' In the center, a smartphone screen displays the text 'TEXT "YES" OR "Y" TO 67587'. To the left of the phone, text reads: 'Get instant text alerts on school closings, important dates and emergency notifications on your cell phone!' Below this is a blue banner with the text 'Visit district.ops.org/textmessaging for more information.' Further down, it says: 'To sign up, make sure your number is on file with your student's school. Your preferred cell phone number must be registered at your student's school before service can be activated.' Below that, it states: 'If you haven't already signed up to receive text alerts, text "Yes" or "Y" to 67587.' At the bottom, it says: 'If you're already signed up to receive text alerts, there is nothing else you need to do.' The footer contains three social media icons: Facebook (Omaha Public Schools), Twitter (OmahaPubSchool), and YouTube (Omaha Public Schools).

Stay Connected: Stay connected with OPS and opt-in by texting Yes or Y to 67587. The opt-in text messages from OPS will come from the number 67587. Text message capability allows OPS to quickly update parents/guardians and staff with emergency notification information, including weather-related cancellations and important reminders. More information at <https://district.ops.org/textmessaging>
