

Parent On-line Payment

Omaha Public Schools is proud to announce we are upgraded our Lunch Account Software to a new system called **Primero Edge**. Primero Edge offers an easy-to-use way for parents/guardians to securely and conveniently pay for school meals through **SCHOOLCAFE.COM**. The district changed to Schoolcafe.com which was available to you July 1, 2016. Some of the key features include:

- **Accepts payments types of debit or credit cards with a Visa or Master Card logo**
- **Access from any computer 24/7**
- **Low balance email reminders**
- **Automatic payments**
- **Transactions made to your child's cafeteria account within two hours**
- **Customer Support Services to answer your questions**
- **Viewing you child's cafeteria account balance**
- **Reviewing daily spending and purchases**

Meal account balances have been carried over to the 2017-18 school year unless a request was made to refund the student's balance.

Please Note: A \$2.00 minimum balance is required and a 5% convenience fee per transaction amount will be charged. More information is located at SCHOOLCAFE.COM

How to get started:

Go to schoolcafe.com or download the SchoolCafé app on any smart device

1. **Create a new account**
2. **Enter NE - Omaha Public Schools as your school district**
3. **Complete new profile information**
4. **Set up your new credentials**
5. **Accept the terms and conditions**
6. **Add your student to your profile using student ID and school location**

See the SchoolCafe Instruction Section to the left in English and Spanish for further details
