If the Board of Education determines that another insurance carrier could provide this benefit as described above, the Board of Education agrees to include members of the Association at discussions related to changing the insurer. The carrier must meet similar standards to the current insurance carrier. An employee who retires after completing all contractual obligations and who elects to begin his/her voluntary retirement before August 31 of the year of his/her retirement will continue to be covered by the health insurance program until August 31 of the year of retirement, and the premiums will be paid in the same manner that they were paid prior to taking voluntary retirement.

The program includes all full-time employees with 30 calendar days of employment.

Any change in dependent status after the date of the initial disability award will be considered in the computation of Social Security benefits payable, and the Monthly Indemnity Benefit payable under the Long-Term Disability Plan will be adjusted accordingly.

Employees who are disabled are allowed to continue participation in the Board of Education group hospitalization, surgical and major medical program for three months following the expiration of sick leave at Board of Education expense.

The employee shall not have any option to receive a cash payment of the applicable dollar amount of the unused sick leave or to have the unused sick leave applied to provide any form of benefit that is not provided under the Omaha Public Schools Accumulated Sick Leave Conversion Plan.

A full-time certificated employee who is terminated from employment because of a reduction-in-force shall, regardless of the number of the employee's creditable years of service to the District, be paid the applicable dollar amount of the employee's unused sick leave in a lump sum within 60 days of such termination.

Leaves of absence for health reason may be granted only to an employee who is a permanent certificated staff member and has served more than five consecutive years in the Omaha Public Schools at the time of application for the leave.

Members of the bargaining unit, when granted leaves of absence, shall not be guaranteed immediate employment upon their return unless they return to duty on the first day of the school year or on the first day of the second semester of the school year. Notification of such return must be given to the Superintendent in writing at least 30 days preceding the end of the semester prior to their return.

An application for leave of absence for health reasons must be accompanied by a statement from the employee's physician. The employee shall notify his or her immediate supervisor and the Department of Human Resources as soon as the health condition has been medically confirmed. The physician's statement shall confirm the condition, and indicate an opinion as to the employee's physical and mental ability to continue employment, the date of scheduled surgery or expected delivery, and the date beyond which the employee should not continue to work. The Superintendent of Schools may designate a second physician to conduct an examination to confirm the opinion of the employee's physician.

A leave of absence shall be granted without pay for such period as the Superintendent may determine, but not to exceed the school year in which the need for the leave exists and may be subject to renewal in the case of personal illness provided the need continues. The actual starting time of a health leave will be at the discretion of the Superintendent based upon the physician's statement, the ability of the employee to perform normal duties, the health and safety of the employee, and in the case of school psychologists, the continuity of services provided.
H. Military Leave

Any employee called to active service shall be eligible for Military Leave in accordance with Nebraska Revised Statute 55-160 and the Uniformed Services Employment and Reemployment Rights Act.

I. Elective Office Leave

An employee may take a leave of absence when elected to an elective public office. Requests shall be submitted in writing to the Superintendent who shall, in turn, make a recommendation to the Board for final action.

The leave of absence is limited to the initial elective term sought and won by the employee. The subsequent election to the same office or a different elective position may result in an extension of the leave of absence. Appointment to an unexpired term calling for service in office greater than one-half of the regular term of that office shall qualify for, and be treated as a leave of absence for one term of office.

Leaves of absence granted under this section shall be treated in exactly the same manner as other official leaves in regard to right to re-employment, fringe benefits, etc.

The individual shall be required, six months prior to their returning to the District, to give notice of his or her intentions regarding continued employment by the District. School psychologists shall be required to give notice of their intention one semester prior to their return to the District.

If the individual should resign the elective office during the tenure of the leave of absence, such action shall automatically terminate the leave of absence granted by this section. Acceptance of any other full-time position while on a leave of this nature shall also effectively and automatically terminate said leave of absence.

J. Association Leave

Annually, a total of five (5) days of Association Leave without loss of pay shall be available to designated members of the Association for the purpose of attending conferences, meetings, or conventions which are related to conducting Association business. The Association Leave shall be only for the purposes of professional Association business at the local, state, or national level and all such days shall require the authorization of the Association President with administrative approval. Requests for approval should be made in advance through the Office of the Superintendent. This allotment cannot be carried over from one year to the next.

K. Status Upon Return from Leave

An employee on a leave of absence shall not receive credit toward advancement on the salary schedule nor shall such time count as years of service for the purpose of
acquiring continuing contract status. At the employee's request, an employee on a leave of absence shall receive credit toward retirement as provided for in Section 79-990 of Nebraska State Statutes. The employee will retain the number of accumulated sick days held prior to the effective date of the leave.

I. Failure to Return from Leave

A position for an employee shall no longer be held if the employee on leave of absence remains away from duty beyond the expiration date of approved leave or renewal of leave.

Employees who were required to report on inclement weather days and who worked beyond their contract duty days will be paid at the rate of 1/contract day total of their scheduled salary.
